

Are you actually the turkey this Thanksgiving?

If your eDiscovery platform does not completely index available ESI, then you may be the one getting served this holiday season.

Fully Integrated. Web Accessible. Forensically Sound.
Don't be a turkey, use the OneO® Discovery Platform @ OrangeLT.com.

The OneO® Discovery Platform

is an integrated, web-accessible, forensically sound electronic discovery platform that completely indexes all available ESI and enables analytics, processing, and review of data from the security of a hosted centralized repository without the purchasing requirement of additional hardware and/or software.
